Education

The London School of Economics and Political Science (LSE)

09/2026 - 09/2027

MA Gender, Media & Culture

King's College London (KCL)

09/2023 - 06/2026

BA Digital Media and Culture - First-Class Honours

Relevant Courses: Social Media, Digital Marketing, Brand Storytelling, Artificial Intelligence, Digital Products

Selected Projects: TikTok Political Meme Analysis; Xiaohongshu (RED) Algorithm & Identity; Aesop Audience Analysis & Digital Marketing Campaign

Core Competencies

- **Marketing & Influencer Campaigns** – Experienced in TikTok, Instagram, and Reddit marketing, leading UK influencer campaigns that generated 2.8M+ impressions with an average 7.2% engagement rate.
- **Brand & Content Marketing** – Strong background in content strategy and social media growth. Grew a content account from 0 to 8,000+ followers and successfully monetised through brand collaborations.
- **E-commerce Operations** – Hands-on experience managing the full Amazon UK FBA lifecycle, including market research, product sourcing, pricing strategy, listing optimisation, PPC campaigns, and inventory management.
- **Project & Event Management** – Supported the end-to-end execution of large-scale events for 300+ participants, coordinating cross-functional teams and ensuring smooth project delivery.
- **Data Analytics & AI Workflow** – Proficient in Claude Code, Codex, Python, Excel and Google Analytics to streamline workflows, automate data processing, and support data-driven marketing decisions.
- **Content Production** – Skilled in creating marketing assets using Canva and CapCut, with experience producing social media content, promotional materials, and campaign creatives.

Internship & Entrepreneurial Experience

Vertex Marketing

04/2026 - 06/2026

AI Influencer Operations Intern

Shenzhen, China

- Managed UK-market creator marketing projects across TikTok, Instagram and Reddit; used Perplexity, Claude and Google Trends for market research, competitor analysis and creator strategy.
- Screened 600+ overseas KOL/KOC accounts, focused on 10k-100k mid-tier creators, built a creator database and selected accounts with 8%+ average engagement.
- Independently led creator outreach and follow-up with 120+ creators, supporting product testing, UGC and short-video collaborations; achieved 2.8M+ impressions and 7.2% average engagement.
- Optimised creator strategy based on paid media and content data; used AI for material repurposing, data monitoring and analysis to improve content and ad performance.

Shenzhen Media Group (SZMG)

07/2025 - 09/2025

Event Marketing & Sports Event Operations Intern

Shenzhen, China

- Managed official WeChat content editing and layout for a 'Sports + Fashion' offline activation, using content guidance and QR-code journeys to convert 500+ attendees into the community.
- Supported National Games preparation by liaising with Huarun Group, coordinating event materials procurement and budget execution to ensure resources met project standards.
- Assisted opening ceremony planning and script development; coordinated 300+ participants across three full-process rehearsals and handled unexpected guest absence during live execution.

Amazon UK

04/2025 - 04/2026

Cross-border E-commerce Operations

London, UK

- Independently operated an Amazon FBA pet-products store, covering market research, product selection, supplier coordination, listing creation, inventory and fulfilment.
- Used Helium 10 and Keepa to analyse demand, competitor sales and price bands; developed product selection, pricing and promotional strategies.
- Optimised listing titles, keywords, main images and A+ pages; adjusted keyword and ad strategy using performance data, achieving 500+ orders and approx. £3,500 in sales.
- Used AI-assisted data analysis to optimise advertising, inventory turnover and conversion performance, achieving an estimated 20% project net margin.

Xiaohongshu (RED)

12/2023 - 12/2024

Account Operations

Online

- Grew a new lifestyle account from 0 to 8,000+ followers in two months through content selection, tagging optimisation and trend positioning.
- Monetised the account through promotional collaborations with brands including Adidas, continuously refined content strategy through data review and platform insights.
- Created multiple high-performing posts, with a top post reaching 870k+ views, 40k+ likes, and 10k+ comments, driving organic sharing and high-quality interaction.
